

EXAMPLE, NOT A CLIENT

An empty chair is an hour you can't sell twice.

**A forgotten appointment costs you the
slot and the time you set aside.**

BEFORE AND AFTER

BEFORE

**Booked for 2pm. Nobody comes.
The slot is wasted.**

AFTER

**A reminder goes out the day
before. Customers confirm or move
it by text.**

EXAMPLE, NOT A CLIENT

HOW IT WORKS

1

A customer books their appointment.

2

The day before, a reminder text goes out.

3

They reply to confirm or to move it.
